RECORDING RELEASE

In consideration of payment by Omega Ensemble ("Producer") for my Services as a Performer on the below stated Project, I hereby confirm and agree as follows:

1. I hereby assign to the Producer all rights I may have now or in the future, for all uses whether now or later known, in relation to all recordings made under or in consequence of My Performances, including but not limited to:
 - a. all rights which I may have in the recordings as a performer or as the maker of recordings (including but not limited to any ownership rights arising under Section 97 of the Copyright Act 1968); and
 - b. all rights in relation to My Performances embodied on such recordings (including but not limited to rights arising as a performer pursuant to Part XIA of the Copyright Act 1968).
2. I hereby waive any so-called moral rights or similar rights (now or later existing) in respect of My Performances under any law anywhere in the world. Where the law does not recognise or allow the waiver of moral rights, I hereby consent to any and all acts or omissions of Producer and Producer's assignees which would, but for this consent, infringe any of my moral rights or similar rights in respect of My Performances or the recordings.
3. I irrevocably and unconditionally grant to Producer the right to use and authorise the use of my name, likeness, biography, voice and photographs and issue and authorise others to issue publicity concerning me.
4. In the event that I do not perform my duties diligently and in accordance with the directions of Producer, I agree to forfeit the amount payable to me under this Agreement.
5. I shall if requested complete a tax invoice in respect of the Services that I have provided to Producer under this Agreement.
